

### 4214/6214: Per Evaluation Form – 25 pts

**Note:** Each student should submit one evaluation for each group-member. The deadline is as of the original deliverable. Individual grade for laboratory will be decided by weighting team grade of the deliverable with the input from the lab instructor and from the peer evaluations.

**Your name** Nathaniel Jones

Write the names of each group member in the columns on the first row of the chart. Include your own name as well. There may be some empty columns depending on the size of the group. Then, in the appropriate box in each row of the following table, answer the questions with a number 1-5 on the following scale:

1 Strongly disagree	2 Mildly disagree	3 Neutral	4 Mildly agree	5 Strongly agree
------------------------	----------------------	--------------	-------------------	---------------------

<b>TEAM NAMES:</b>	Nathaniel Jones			
Has finished the assigned tasks on time	5			
Has been available and cooperative for group meetings	5			
Has significantly contributed in making key decisions for the project	5			
Has behaved with the other group members in a professional manner	5			
Would recommend this person for a position in a software development team	5
